AGC OF AKRON OHIO,

CARMEN SCACCIO MEMORIAL SCHOLARSHIP (One award)

The AGC of Akron is a commercial construction trade association governed and operated by contractors. The association has been in existence for more than 70 years and its members are comprised of the finest general contractors and suppliers in the Akron/Canton area. AGC of Akron is a full service division of the AGC of Ohio that focuses on strengthening the local community. Carmen Scaccio embodied the values the association believes are the cornerstone of business and community-family, honor and dedication. In recognition of his years of service to promoting our local construction industry, AGC of Ohio, Akron division has established a scholarship in his name. The hope is to award a candidate who possesses the same civic-mindedness and dedication to construction with the opportunity to not only fund their education, but to also positively influence the community around them.

Additional Criteria: Applicant must be from the Northeast Ohio area, a University of Akron Construction Technology or Kent State University Construction Management student, and/or a child/stepchild of an employee or an employee of an AGC of Akron member. Applicants are considered from the Northeast Ohio area if their permanent resident is located within Northeast Ohio.

THE TIM EVANS SCHOLARSHIP, FROM THE KNOCH CORP. (One award)

The Knoch Corporation is one of Canton, Ohio's most prominent general contractors. Knoch has been serving Stark and surrounding counties since 1947, and has gained a reputation for excellence among its clients and community. In an effort to give back to that community, Knoch established the Tim Evans Scholarship, in honor of one of Knoch's longest serving employees. Tim has been with The Knoch Corporation for 27 years. Tim was diagnosed with amyotrophic lateral sclerosis (ALS), also known as Lou Gehrig's Disease. Since his diagnosis, he has remained an integral part of the Knoch team and continually demonstrates the integrity and character that most strive to achieve. Tim's knowledge, determination, and quick wit make him a truly exceptional individual, and he represents what The Knoch Corporation looks for in its employees.

Additional Criteria: Applicants should be from either Portage, Medina, Stark, Summit, Tuscarawas, or Wayne counties and have a concentration in a construction/engineering/architecture related degree. Applicants who themselves and/or an immediate family member have been diagnosed with a neuromuscular disease will receive additional points during the grading process.

MOSSER CONSTRUCTION, INC. SCHOLARSHIPS

Mosser Construction, Inc., in celebration of its 50th anniversary, founded in 1998 scholarships to recognize students exhibiting leadership attributes in construction-related studies. Mosser donated money to create an endowment fund at colleges in the Northwest Ohio area to sponsor scholarships in Mosser's name.

Additional criteria: Students must be enrolled in University of Toledo, Owens Community College (Toledo campus), or Terra Community College in fall of 2016. At least one award will be given to an eligible student from each school. Bowling Green State University students should apply for the Mosser Scholarship at BGSU through the university.

CLEVELAND AGC SCHOLARSHIP (One award)

AGC Cleveland is committed to leading, learning and making a difference in the Ohio construction industry. We serve as an umbrella for fourteen (14) affiliated construction trade associations, providing labor relations, education and advocacy for nearly 600 contractors.

Additional Criteria: Students must have a permanent residence in one of the following counties: Cuyahoga, Portage, Lake, Summit, Medina, Lorain, Erie, Huron or Sandusky; and must be pursuing a construction-related degree in the following: Construction Management, Engineering, Business, Accounting. Students that have participated in the ACE Mentoring Program will receive additional points during the selection process (Please note in activities on page 2).

SETTLE MUTER ELECTRIC WILLIAM L. MUTER SCHOLARSHIP (One award)

SME believes in personal growth and advancement, and to support these endeavors SME has set up a scholarship in the name of Executive Vice President and Chief Financial Officer William L. Muter for students pursuing a degree in electrical or construction related fields. Bill's commitment to professional development at SME is evident in his voluntary role as the company's Director of Education and Apprenticeship Training. Bill is widely regarded for his business acumen and is often recognized by his peers. The William L. Muter Scholarship will be awarded to a student that demonstrates commitment and will have a potential impact in the field of construction. He continues to provide invaluable mentoring services to the management professionals at SME and to his peers/colleagues across the industry.

Additional Criteria: Students must be from the Central Ohio area and attend either The Ohio State University or Columbus State Community College.

RUDOLPH LIBBE GROUP, FRITZ RUDOLPH HONORARY SCHOLARSHIP (One award)
